

Environmental Quality and 24 CFR 50.20(k) of the HUD regulations, the policies and procedures contained in the interim rule published on August 4, 1993 (58 FR 41426), and today's notice relate only to internal administrative procedures whose content does not constitute a development decision nor affect the physical condition of project areas or building sites, and therefore, are categorically excluded from the requirements of the National Environmental Policy Act.

B. Executive Order 12612, Federalism

The General Counsel, as the Designated Official under section 6(a) of Executive order 12612, Federalism, has determined that the policies contained in this notice will not have substantial direct effects on states or their political subdivisions, or the relationship between the Federal government and the states, or on the distribution of power and responsibilities among the various levels of government. Specifically, this notice will not substantially alter the established roles of HUD and the States and local governments, in administering the affected programs. As a result, this notice is not subject to review under the order.

C. Executive Order 12606, The Family

The General Counsel, as the Designated Official under Executive Order 12606, The Family, has determined that this notice does not have potential for significant impact on family formation, maintenance, and general well-being, and, thus, is not subject to review under the Order. No significant change in existing HUD policies or programs will result from extending the effective date of the interim rule adding two subcategories of budget authority incapable of geographic allocation by formula, as those policies and programs relate to family concerns.

Dated: January 6, 1995.

Henry G. Cisneros,

Secretary.

Certifications and Exemptions Under the International Regulations for Preventing Collisions at Sea, 1972; Amendment

AGENCY: Department of the Navy, DOD.

ACTION: Final rule.

SUMMARY: The Department of the Navy is amending its certifications and exemptions under the International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to reflect that the Judge Advocate General of the Navy has determined that USS FITZGERALD (DDG 62) is a vessel of the Navy which, due to its special construction and purpose, cannot comply fully with certain provisions of the 72 COLREGS without interfering with its special functions as a naval guided missile destroyer. The intended effect of this rule is to warn mariners in waters where 72 COLREGS apply.

EFFECTIVE DATE: December 7, 1994.

FOR FURTHER INFORMATION CONTACT: Commander K.P. McMahon, JAGC, U.S. Navy, Admiralty Counsel, Office of the Judge Advocate General, Navy Department, 200 Stovall Street, Alexandria, VA 22332-2400, Telephone number: (703) 325-9744.

SUPPLEMENTARY INFORMATION: Pursuant to the authority granted in 33 U.S.C. 1605, the Department of the Navy amends 32 CFR Part 706. This amendment provides notice that the Judge Advocate General of the Navy, under authority delegated by the Secretary of the Navy, has certified that USS FITZGERALD (DDG 62) is a vessel of the Navy which, due to its special construction and purpose, cannot comply fully with 72 COLREGS: Annex I, paragraph 3(a) pertaining to the location of the forward masthead light in the forward quarter of the vessel, and the horizontal distance between the forward and after masthead lights;

Annex I, paragraph 2(f)(i) pertaining to placement of the masthead light or lights above and clear of all other lights and obstructions; Annex I, paragraph 3(c) pertaining to placement of task lights not less than 2 meters from the fore and aft centerline of the ship in the athwartship direction; and Rule 21(a), pertaining to the masthead light unbroken arc of visibility over an arc of the horizon of 225 degrees and visibility from right ahead to abaft the beam of 22.5 degrees, without interfering with its special function as a naval guided missile destroyer. The Judge Advocate General has also certified that the lights involved are located in closest possible compliance with the applicable 72 COLREGS requirements.

Moreover, it has been determined, in accordance with 32 CFR Parts 296 and 701, that publication of this amendment for public comment prior to adoption is impracticable, unnecessary, and contrary to public interest since it is based on technical findings that the

placement of lights on this vessel in a manner differently from that prescribed herein will adversely affect the vessel's ability to perform its military functions.

List of Subjects in 32 CFR Part 706

Marine safety, Navigation (Water), and Vessels.

PART 706—[AMENDED]

Accordingly, 32 CFR Part 706 is amended as follows:

1. The authority citation for 32 CFR Part 706 continues to read:

Authority: 33 U.S.C. 1605.

§ 706.2 [Amended]

2. Table Four of 706.2 is amended by:

a. Adding the following vessel to paragraph 15:

Approval and Promulgation of Air Quality Implementation Plan; Michigan; Wayne County Particulate Matter Nonattainment Area

AGENCY: Environmental Protection Agency (USEPA).

ACTION: Final rule.

SUMMARY: In this action USEPA is approving the State Implementation

Plan (SIP) submitted by the State of Michigan for the purpose of bringing about the attainment of the National Ambient Air Quality Standards (NAAQS) for particulate matter with an aerodynamic diameter less than or equal to a nominal 10 micrometers (PM). The SIP was initially submitted by the Michigan Department of Natural Resources (MDNR) on June 11, 1993 with revisions submitted on April 7, 1994 and October 14, 1994. On June 15, 1994 the USEPA published a Notice of Proposed Rulemaking (NPR) to disapprove the June 11, 1993 and April 7, 1994 submittals (see 59 FR 30742). The State's October 14, 1994 SIP revision adequately addresses the deficiencies which had been the basis for the proposed disapproval of the previous submittals. Therefore, USEPA is withdrawing the proposed disapproval and is now approving the State submittal as meeting the Federal requirements for an approvable

nonattainment area PM SIP for Wayne County, Michigan.

EFFECTIVE DATE: This final rule will become effective on February 16, 1995.
